

Please review some policy & procedure changes ahead of the golfing season. These are in place for the benefit of the course and its patrons. We appreciate your cooperation!

### **Golfer Check In:**

- ALL golfers must check in at the ticket office **AND show their ID Card** (golfers are no longer permitted to verbally give their ID# to the cashier). Golfers cannot “check-in” their friends on their behalf.
- If you need a new ID card they can be obtained at the Recreation Office (500 Wheatfield Street

### **Tee Times / Reservations / Lottery**

- The lottery system will still be implemented in advance of the 7-day booking window for members.
- Groups must go out as listed on the tee-sheet at the tee time listed. Captain’s (the individual making the reservation) will be penalized reservation system points for circumventing the lottery system by repeatedly placing “decoy” golfers (with no system points) on their lottery request and replacing them with the intended golfer at the time of golf.
- Captain’s (the individual making a reservation) who select a three or foursome group and repeatedly show up as a single golfer will be penalized reservation system points (and may lose reservation privileges)

### **Cart Policies:**

- All golfers looking to utilize the handicap flag, must provide yearly proof of their handicap status (State Issued Disabled permit or medical doctor’s note). The application form can be completed at the TICKET OFFICE this year as well as the Recreation Office. [Click here for more info](#)
- When course conditions call for no carts, anyone with a season cart pass will be able to use a complimentary pull cart at no charge (as they are available).

### **Restaurant/Concessions:**

- 1818 Bar & Grill is operating under NEW management. Charlie & Emma will be taking over the operations and we are excited for consistent, quality, and friendly service. Please support them and refrain from bringing outside food/beverage onto the course. Concessions will be available 7:30am-9pm (bar open later at the bartender’s discretion). [Follow them on Facebook!](#)
